Part 5 – Declaration

I understand that applications must be made by the child's legal parent/carer and that by signing the declaration below I will be confirming my understanding of the information provided on this application form and that the information I have provided is correct. I accept that Kingsmead School reserves the right to withdraw school places which have been obtained by providing incorrect or misleading information.

I understand that it is the parent's responsibility to ensure that Kingsmead School receives the completed application form safely. I note that it is recommended to send my application form by Special Delivery post, or obtain a proof of posting certificate, or a receipt from Kingsmead School's Reception desk if my application is hand delivered

I accept that where parents equally share parental responsibility and two applications are submitted for the same child, Kingsmead School will require the parents to agree which application is to be considered and which should be withdrawn. If parents cannot agree and there is no court order to determine majority responsibility, the application from the parent who receives child benefit for the child concerned will be awarded a higher priority than those from the other parent.

I accept that the child's home address must be the place where the child permanently resides for the majority of the time. This would normally be at the same address as the person who has Parental Responsibility for the child and is their main carer. Where the child spends equal amounts of time with both carers, Kingsmead School will consider the place of residence of the parent/carer who receives child benefit to be the child's home. Evidence of parental responsibility will be required should there be doubt and Kingsmead School may undertake thorough residency checks and reserves the right to request independent confirmation of the child's address.
