7th March 2018

Dear Parent/Carer

Apprenticeship Evening @ Kingsmead School – Wednesday 11th April – 6.00pm to 7.00pm

Apprenticeships are once again becoming increasingly popular with Kingsmead School leavers. The combination of hands-on experience, a salary and the opportunity to train while you work is appealing to many of our learners. Advantages of an apprenticeship include:

- Earn a wage and learn at the same time, with at least 20% of your time set aside for learning – normally at a college, university or other training provider.
- Gain official certification of your skills, equivalent to a qualification ranging from level 2 (GCSE equivalent) upwards.
- Start a long-term career path with the possibility of higher earnings.
- Enter an apprenticeship in a broad range of industries, including law, engineering and design.

On **Wednesday 11th April** Kingsmead School will run an informal apprenticeship evening, with representatives from colleges and industry present. Ben Norrish of Petroc College will introduce apprenticeships, including how to find an employer, and will take any parent questions. If you would like to attend along with your child, please return the reply slip below to reception.

Yours sincerely,

Charlie Pierce

Assistant Headteacher
Kingsmead School

Please return to reception by 9th April 2018

Student Name Tutor Group

I would like to attend the **Apprenticeship Evening** at Kingsmead School on Wednesday 11th April 2018 from 6-7pm.
