Dear Parent/Carer

### Free School Meals

You may be aware that some families are eligible for 'Free School Meals'. The school receives additional funding for students who are registered as Free School Meals and enables us to put money on their account each day to spend in the school canteen on food and drink as well as ensuring registered students are entitled to a reduced rate for educational trips during their time in school. In addition to this it also helps to provide whole school provision for learning resources and staffing which helps to support our students the best we can.

The form is simple to complete and there is no need for you to provide evidence regarding your eligibility because the Local Authority, who administer the process, will check this using your National Insurance Number. We would like to encourage all eligible families to complete the application form online at: [www.somerset.gov.uk/freeschoolmeals](http://www.somerset.gov.uk/freeschoolmeals)

If you have any queries regarding this, please speak to the School Office.

Yours faithfully"
