Class Charts is used by Kingsmead school for rewards, behaviour, timetables, homework, communication with students and attendance details. Students have their own login using a unique pupil code. Class Charts can be accessed using a web browser on any device or an app through the Apple or Google Play stores.

2. Make sure that you have “Student” selected
3. Enter your pupil code that your tutor has given you. *If you do not have a pupil code, please ask your tutor*
4. You may also be required to enter your date of birth

Below the tabs is a text input field labeled "Pupil code" with a small icon of a pencil and an eraser on the right. Underneath the input field is a checkbox labeled "Remember me" which is checked. To the right of the checkbox is an orange button labeled "Log in".
